PO Box 278
Beatty NV 89003

David,

Valley Electric is very pleased to offer our support for the Trails and Event Grant application you are submitting. As you may be aware, Valley Electric is a co-op and as such we are closely tied to the communities we serve.

We are always looking for opportunities to promote economic growth in ways that support our communities and the people who live in it.

It's obvious to us that a trail system like this will add to the retail base, promote tourism, and give people and businesses a reason to visit and build here.

But the real advantage of this project is that it supports economic growth while at the same time promoting a sense of community by bringing people together and promoting healthy outdoor activity.

We hope that you are awarded this grant because frankly, this is exactly the kind of development Valley Electric would like to see more of.

Respectfully,

Tom Husted
Chief Executive Officer
Valley Electric Association, Inc.
